GSE Team from Texas

Time flies by - on the 12th May, the Club welcomed the GSE Team from Dallas on behalf of the District.

President Iain opened the proceedings and hoped everybody would have an enjoyable and memorable evening.

The Cresta Court put on a first class meal as usual.

The President then arranged for 'three rabbits' to be pulled out of the bag and we had three lucky winners, Vickie Twist, Tony Urwin and Daphne Barker.

Over 100 visitors and Rotarians were present to hear District Governor, Mike Payne welcome the 5 ladies from Dallas, Texas, Rotary District 5810.

Rotarian Linda Elliot, the team leader thanked Mike for his welcome and was sure that the team would benefit from their visit to the District. A full programme had been arranged and the team was looking forward to getting started.

Each member was then asked to give a small presentation and Anne Abernethy was first; second was Jane White; third Abby Foster and finally Tiffany Kellerman.

The presentation was given using PowerPoint and the team members basically read the script under the photographs. Having been a GSE team member I felt photos with their comments would have been more appropriate.

The evening drew to a close with thanks all round. exchanging banners, photos and a final toast.

Well done to the Club members for putting on a first class event.
